UID Program Manager's Workshop

- **Welcome! Philadelphia is pleased to host the two day OSD lead forum on UID .**
- **This meeting has representatives from OSD, FCS, PM UA, LSI & One Team Partners and other Army ACAT 1D programs.**
- **Objective: To learn and share UID implementation strategies.**

UID Program Management Workshop

- **We would like to thank LSI Howard Moore and PM UA Ron Courtney for their efforts in scheduling this conference.**

- **Share your ideas so that a collective plan to maximize support to the Warfighter can be developed.**

UID Program Manager Workshop

- **Thanks to Philadelphia Employees:**

  Antoinette L Derrickson,
  Tracey Cronaver
  Fred Hamel

For their efforts in making this forum in Philadelphia a reality .

UID Program Managers Workshop

- **This conference is to facilitate common understanding of OSD requirements for future FCS logistics support.**

- **Impact is critical to the US Army collective future**

UID Program Managers Workshop

- **Intent**
  - Share Best Practices
  - Foster alignment of goals & objectives between sites
  - Help sites comply with Customer requirements
- **Working Together**
  - Diverse group by function, program, site, LSI and One Team Partner
  - Complete Customer involvement
  - Share UID functional expertise between sites and programs
- **Strategically Important**
  - Business Model: Compliance, Optimization, Transformation
  - Data to enable growth (top line) and reduce costs (bottom line)
  - Help the Warfighter with improved asset visibility and availability
- **Opportunity**
